conqueror was born in 1336  
He died in 1405 while on  
way to conquer China.

Known to historians as  
TIMUR LENK

1336-1405

1912 Dates J-BK

The East

TAMERLANE

1336

---

Civil War lasting till 1392  
begins in Japan.

1336-1392

## Japan Chronologists

In medieval times Japanese chronology underwent a remarkable evolution:

- (1) When the Imperial dynasty split into two Courts (1336-92) two series of *nenjō* began to be used; (2) during the Ashikaga period some private *nenjō* again appeared; (3) some dates of the authorized "central" calendars did NOT correspond with those of locally compiled

Calender.

1336-1387

1912 Dates J-BK

Spain & Portugal

Peter IV, king of ARAGON (1336-1387);  
suppressed the power of the nobles.

1336

Tamurlaine the Great,  
an Islamic Turkic conqueror  
was born in 1336 in what is  
now Soviet UZBEKISTAN

He died in 1405

By 1400 He and his nomads  
were in had conquered the whole  
Area from Mongolia to the Mediterranean

1336-1405

### TAMERLANE

of mongol descent, though a speaker of TURKIC, Tamerlane galvanized an army initially composed of nomads. Born to a modest family within the BARLAS tribe of northern UZBEKISTAN. In 1361/62 he assumed control of the tribe, by end of 1360's he had overwhelmed his rivals for leadership of the ULUS

CHAGHATAI, the tribal confederation that constituted  $\frac{1}{2}$  of the MONGOL'S Central Asian empire. He assumed title of AMIR; installed a figurehead as KHAAN and

moved a mission from Bangkok to here, thus  
 taking his headquarters; leaving a royal military  
 force he gave back a post in expedition & gave  
 the royal and output of his men. After 10 yrs  
 period during which he increased his eastern  
 territory. Tomalia initiated some of successful  
 campaigns over the next 2 decades, 1381-1401  
 campaigns in the Andaman Islands, but 1380's were  
 expedition to Java and Afghanistan, 1390 repelled the  
 Arakan, Burma, and Ayutthaya, 1395 repelled the  
 invasion of the Golden Kingdom, captured, returned  
 Java, Davao, Sumatra, had into a south of  
 other cities, transferred with India & with Delhi  
 CASSAM was, 1398 attacked with India & with Delhi  
 1402 his troops occupied Java & defeated other men

1336-1405

---

Timur or Tamerlane (1336-1405)  
(was in fact a TURCOMAN from  
Transoxiana had many campaigns  
South & East of Caspian Sea, South  
of the Black Sea.

His Empire went from Euphrates R  
to Tibet in East. From here between  
Caspian Sea & Aral Sea to Persian  
Gulf in South

He died in 1405 while leading an  
expedition against China. In his  
quest he destroyed the Chinese  
and devastated the Golden Horde.
